

## AQA GCSE HISTORY

### Elizabethan England, c1586–1603

Specifically designed to support the Historic Environment question for the 2022 Exam.

Learners will enjoy: -

- A detailed introductory presentation about William's Cecil's origins and rise to power. Discussion on his role, status and relationship with Queen Elizabeth 1. An examination of his political prowess, influence and achievements. Concluding with an analysis of Lord Burghley's Hospital in the context of Elizabethan social history.
- A resource sheet linked directly to the presentation.
- A tour of Burghley House with an expert guide.
- A guided tour of the external façade of Burghley discussing the origins, style and architecture of the building and setting.
- An opportunity for questions and answers.

Walk in the footsteps of Cecil himself in the House that he designed and built. An unforgettable, enriching day for GCSE History students to gain first-hand experience of the archetypal Elizabethan prodigy house.
